Profile

Computer Science student at Gisma University of Applied Sciences with a strong interest in Artificial Intelligence and Software Development.

Currently, I am focused on improving my Python skills and strengthening my foundation in algorithms and systems. I am deeply interested in artificial intelligence and aim to pursue a career in developing AI solutions.

As a global student, I have studied in the United States, Colombia, and Germany, gaining adaptability, intercultural communication skills, and a broad international perspective.

Education

2025 – Present

BSc Computer Science with Foundation
Gisma University of Applied Sciences
Berlin, Germany
